

Dear (hand write this in),

It is hard to believe that I am almost done with my (insert) year at (school name)! One of my favorite parts of this year has been my involvement in some student clubs. One in particular has made a really significant impact on my life. The Navigators (a Christian ministry on campus) has provided me the opportunity to be part of a Bible study with other freshmen guys/ladies. We have learned, discussed, prayed, laughed and cried our way through this year, loving every minute of it. It is truly amazing to see how God has transformed each one of us throughout the year and how the love of Christ bonds people of such different backgrounds together! God's given me a burden to be used by Him to impact this campus for His Kingdom.

As the semester is coming to a close I have begun to think about what I could do for the summer. The Lord has provided me with an exciting summer opportunity to grow spiritually and to share His love with others by joining 30+ other students from across California and Arizona for a spiritual development program sponsored by The Navigators. It is called the Sunland Semester Summer Training Program (STP). It is a unique and exciting opportunity for me to intentionally focus on training and growth in Christ.

Much of my growth will happen in a "team" setting, where four students will be together with a student team leader. We will spend 5 hours a week intentionally studying the Bible and then meeting weekly to discuss what God taught us and how we can apply it to our daily lives. We will also be equipped on how we can help those God's placed around us know Him better, no matter where they're at spiritually. I believe this experience will prove invaluable to me in learning how to follow Jesus for a lifetime. I hope to be better equipped in the fall semester/quarter to mirror the light of Christ to my fellow students.

The reason I am sharing this opportunity with you is that I would love for you to consider partnering with me in prayer and finances. I am asking God to surround me with a team of people who will pray for me and financially contribute anywhere from \$25 to \$500. **My goal is to raise \$1600 for this training program. Would you prayerfully consider being part of my support team for this summer through a tax deductible gift?** I would be deeply grateful. Thank you for considering this. I look forward to hearing from you.
